Hello, can you please forward this to your stakeholders. Thanks, Mike

Recently, Senior Lead Officer Sean Lewis was moved to an area just north of the Historic District. This area is commonly referred to as the Civic Center area of Downtown. The move was made based on the increasing population of the area. Along with the increase of attractions in the area. These causing an increase in the visitor population.

The Historic Core District and Downtown Center District is not going unpatrolled. I have assigned a Senior Officer, Anthony Guterrez to work on issues within these areas. In the interim, please feel free to contact me with any issues or concerns. As soon as possible my unit will be brought up to full strength and a more than capable officer will be permanently assigned to the area as a Senior Lead Officer. I look forward to hearing from you.
